

2018 Coach Education Requirements

Assistant Coaches & All Bench Staff

Volleyball Canada's eLearning series is NOT a requirement for assistant coaches & bench staff, however... ALL coaches working with athletes in the sport are strongly encouraged to complete the training.

Volleyball Canada eLearning

The Volleyball Canada eLearning modules are the starting point and foundation for the NCCP coach education pathway in volleyball.

These interactive lessons provide the prerequisite knowledge for future workshops and evaluations.

The modules take approximately 4-6 hours, can be completed on your own time and the Volleyball Canada Coaching Centre will track your progress.

Criminal Record Check

Under the Criminal Records Review Act, you must have a criminal record review conducted by the Criminal Records Review Program (CRRP) if you work with children or vulnerable adults.

Individuals and organizations can apply online 24 hours a day, seven days a week.

Make Ethical Decisions Evaluation

MED training helps coaches identify the legal, ethical, and moral implications of difficult situations that present themselves in the world of team and individual sport.

Coaches can take the training prior to undergoing the evaluation or head directly to the online evaluation after logging into The Locker
