

17/18U PROVINCIAL CHAMPIONSHIPS

PROUDLY PRESENTED BY VOLLEYBALL BC

~THANK YOU FOR ATTENDING PROVINCIALS~

On behalf of the Board and staff of Volleyball BC, I am thrilled to have welcomed you to the 2024 Provincial Championships at the Richmond Olympic Oval on the traditional unceded territories of the Musqueam Nation and Hunqumimum speaking language groups.

Provincial Championships are the pinnacle of our competition season and we would like to acknowledge the hard work and efforts that every individual has put into getting to this weekend. This is our annual opportunity to bring coaches, athletes, referees, and spectators together from across our province in a weekend of exciting volleyball action. We are looking forward to sharing the wins, losses, and, most importantly, the friendships and camaraderie that volleyball creates between us.

As we head toward the end of the 2024 season, I would like to provide some thank yous. Firstly, a special thank you to our 72 clubs across BC that have worked so hard throughout the season to create memorable experiences for youth athletes. We are incredibly lucky to have such passionate individuals to create teams, develop athletes, train coaches, and organise logistics in communities throughout the province. I would also like to acknowledge and thank the referee community. Without the dedication and efforts of referees, we simply would not have competition and we are deeply appreciative for their hard work over the last few months. Finally, I would like to thank the athletes and families for their participation and commitment throughout the season. We hope that you have had a fun season and we are looking forward to seeing you at Provincials!

Emma Gibbons,
Chief Executive Officer

Land Acknowledgement

While we come together from many places in the Province, we would like to acknowledge that we are gathering and playing these Provincial Championships on the traditional lands of the Musqueam Nation and Huncwiminum speaking language groups.
